TEC 1732 – Digital Agent Toolkit

Approved 3 credit hours of Elective Continuing Education in Illinois

A course designed for: Illinois Licensed REALTORS®

COURSE DESCRIPTION:

Real estate is all about personal connections. Technology can go a long way to enhance those relationships by improving communication and safely providing services. This class provides the tools to make daily work life more efficient and effective using digital resources that are already available online and through your MLS (if you are an MLS participant). The student will also learn tips for using those online resources to find clients, engage with them and close more transactions.
