**December 9 & 10 - New 12-Hour Managing Broker Continuing Education(564.004260)
State CE credit for Managing Brokers - Course BMCE 1804**

Course Description: Managing a brokerage today means managing risk. This updated Broker Management course examines the responsibilities of IL managing brokers through a practical risk-management framework-taking a practical look at the issues creating the greatest exposure for today's brokerages, including agent supervision, antitrust and compensation, agency and negotiating, fair housing , cyber security, AI, advertising & company policy.

Participants will explore practical strategies for strengthening policies, improving supervision, protecting consumers, and reducing brokerage exposure. The purpose of this course is not to simply laws or prohibited conduct, The course is designed to help managing brokers establish systems that encourage compliance and reduce risk.

Clear Policy+Practical Training+Active Supervision+Documented Oversight

Instructor: Patricia Trombello, CPM
